

Privacy Policy

We are committed to safeguarding the personal information entrusted to us on the www.heliosolsystem.org website by our clients, students, and instructors. We only collect the information you choose to give us, and we process it with your consent. We only require the minimum amount of personal information that is necessary to fulfill the purpose of your interaction with us, and we only store it for as long as is necessary. We do not sell your personal information to third parties.

No matter where you live, or what your citizenship is, we provide the same standard of privacy protection to all our users around the world.

The personal contact information you provide when you register for courses (name, email address, country of residence, phone number, etc.) is collected and used in a way that is compliant with the Personal Information Protection Act (PIPA) and the General Data Protection Regulation (GDPR). This information is used to facilitate your enrollment in courses, to update your course records, and to publicly reflect your status as a HelioSol Practitioner or Instructor, should you elect to do so. This information may also be used from time to time to promote HelioSol System courses and events, though you may opt out of this at any time.

Since www.heliosolsystem.org is not an e-commerce website, no personal financial information is ever collected through this website.

We may directly collect analytics data, or use third party analytics tools, to help us measure traffic and usage trends on the www.heliosolsystem.org websites. These tools collect information sent by your browser or mobile device, including the pages you visit and other information that helps us improve the website and provide a better service. This analytics information is collected and used in aggregate form such that it cannot reasonably be manipulated to identify any individual user.

Your personal information can be reviewed upon request. You also have the right to alter or delete your profile information. You also have the right to request that we restrict the processing of your personal data, under certain conditions.

Our website contains links to other websites. Our privacy policy applies only to this website, so if you click on a link to another website, you should read that website's privacy policy.

If you have any questions about the collection or use of this information, please contact us directly in one of the following ways:

By email to sylvia@innatehealing.net

By phone at +1.403.981.5613

By post to Sylvia Muiznieks, 293 Sunset View, Cochrane, Alberta, Canada T4C 0N6
