

## How to Become a Licensed HelioSol Practitioner

### HSP and/or HSPA

*How do I become a HelioSol Practitioner (HSP)? I am not trained in another energy healing modality. What courses do I need to take to qualify?*

You will be required to take 8 courses (or their equivalents). They are:

*Foundational HelioSol Technique*

*Foundational Philosophy*

*Foundational Concerns and Concepts*

*Foundational Templates*

*Foundational AgapeMind*

*Practical Application* (the above courses are pre-requisites)

*The Art of Practice*

*Practical Integration* (the Practical Application course is the pre-requisite)

What you will learn with each course can be found in the *Foundational Courses* descriptions area of the website. This is the preferred order to take the courses, but it's unnecessary. The pre-requisite courses may be taken in any order before the course that requires them. It may seem like a lot of courses, but they are all relatively short, and when you finish the curriculum, you will be well-prepared!

If you think you have taken an equivalent course, please contact Sylvia at [sylvia@innatehealing.net](mailto:sylvia@innatehealing.net) to see if you are eligible to receive a credit for that course.

*I already have an energy healing practice. I'm interested in adding the HelioSol approach to my techniques. What do I need to do to become an HSP?*

You need to contact Sylvia directly at [sylvia@innatehealing.net](mailto:sylvia@innatehealing.net) to assess which of the above courses you may be given credit for. For example, you may not need to take the *Art of Practice* course if you are established in your clinical practice.

*How do I become a HelioSol Practitioner for Animals (HSPA)?*

The requirements are basically the same as becoming a 'regular' HelioSol Practitioner. The additional training is provided by the Supplemental courses for animals. To see which courses are required, click here.

*Once I have the required courses, what is the application process for becoming licensed?*

The application process is to:

- Send Sylvia an email at [sylvia@innatehealing.net](mailto:sylvia@innatehealing.net) to request the HelioSol Practitioner Licensing Agreement.
- She ensures you qualify and then emails you the licensing agreement for signature.
- Once you have signed the licensing agreement and emailed it back with the \$30.00 CAN (plus GST/HST if in Canada) licensing fee, you will receive your certificate.

There will be an annual licensing fee of \$30.00 CAN (plus GST/HST if in Canada). This entitles you to:

- Be listed on the Practitioners page of the HelioSol website.
- Have access to the HelioSol logo for marketing purposes.
- Receive updates and any relevant information.
